

Payment Plan Option

The economic recession has had a negative impact on many families. Recognizing this fact, Hertford County has created the option of a payment plan for property taxes. Annual property taxes become delinquent on **January 6th, 2016** following the date your property tax bill is first due. By taking advantage of submitting payments over the next five (5) months, you will be assured that your Hertford County property taxes will be paid completely without concern of any forced collections procedures that are required by law. If you are interested in making payments for property taxes this year, please complete the attached partial payment agreement and submit along with your first payment to our office at:
